WhatsApp continues to be important as we stay in touch as Church, in fact its hard to remember how RMC opereated without it. We have sixteen WhatsApp groups. (that I'm aware of, probably more)

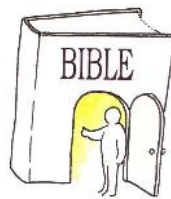

Many of the groups are that relate to specific groups such as "Father to Father", "Sisters in Christ", "Home Group" and "Curry Club." Four groups that relate to the whole church and here is a summary of them.

"Prayer Hit" is for urgent prayer requests and responses, events and situations that happen during the day that need us to come together as Church and Pray.

"Daily Prayer" is for our daily prayer topic, reflecting the printed/ email Prayer Diary. Topics range from our Church Groups, town and international situations.

"Encouragement" is a group that is to do just what it says on the tin, a place to share the good things going on, the blessings, share Bible verses and items of inspiration.

"Church Share" is the place for people in the church to ask to borrow an item or offer what they have to lend, or give away unwanted items that will do someone else a good turn.

Also a good place to ask for help or offer help

If you wish to join any of these groups, speak to Linda.

As has already been explained we have several different WhatsApp groups set up with different purposes in mind.

Some, like 'Curry club' and 'Father to Father' are directed at a specific group of people to share mainly admin type information.

Others like 'Prayer hit' and 'Bible share' are specific in purpose too. Some people prefer to pray for situations and don't want to plough through other stuff to do it, especially if they are at work. Other people are happy to share what God has been saying to them through their Bible readings on 'Bible share'. The 'Encouragement' group can include songs, articles, testimonies and short readings from Scripture which we feel will encourage each other.

Not everyone wants to be on every group and some have withdrawn because they feel overloaded.

Can we ask that if you have something to share you choose the most appropriate group and just put it on that thread. This will save the trawling through 100's of messages a day which are often repeats of stuff shared on other groups **and will allow those who just want to pray to do so.**
